

GUIDELINES FOR TAGS & BARCODES FOR FAOF 2023

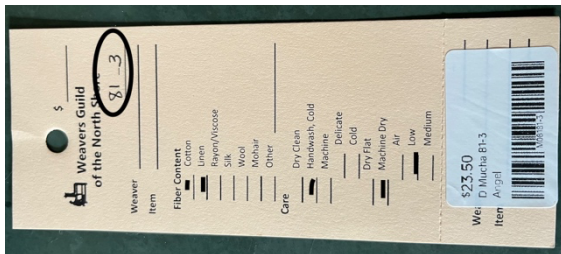

We will use the same labels as usual. Pre-printed barcode stickers (based on your Weaver's Inventory Sheet) will be provided to put on the labels BEFORE you come to Check-in.

For the larger tags (used mostly for clothing items):

Write your WGNS# & the Item# in the upper area.

Fill in the content and care instructions.

Put the barcode sticker on the tear-off tag at the bottom.

For the medium sized tags (used for most items):

Write your WGNS# & the Item# in the upper area.

Put the barcode sticker on the tear-off tag at the bottom.

For the tiny tags (mostly used for jewelry):

Because of the size of the sticker, you will need to

Write your WGNS# & the Item# in BOTH the upper & lower areas.

Put the barcode sticker on the BACK OF THE TAG.
